welcome...

Good afternoon and welcome back to The Den for our sixth annual Dockers' Day.

For those of you here for your first Dockers' Day, this is a match in which we celebrate the achievements of a Millwall side who have won honours for the club back in the day. This year we have with us the Division Four title-winning team of 1961/2 which included such standout performers as Peter Burridge, Dave Jones, Pat Terry and the Brady brothers, Ray and Pat.

The added bonus, of course, is that this time we are marking the occasion by hosting Premier League opposition in the shape of Bolton Wanderers in the FA Cup Fifth Round.

Dockers' Day would not be possible without the hard work and passion of Chris Bethell, and everyone at Millwall would like to thank Chris for organising another wonderful occasion.

Thanks also go to Colin Welch who has very kindly once again sponsored the t-shirts in which the players are warming up.

Finally, a warm welcome to Ron 'Butch' Howell, along with Barry Kitchener today. They will help to present the class of 61/62 with their medals.

Enjoy the game

FROM THE DUGOUT

I'm delighted that we have this opportunity today to feature in a Fifth Round FA Cup tie against Premier League opposition at The Den.

While the Championship is our bread and butter and finishing our league campaign strongly remains a priority, we are relishing the chance to put on a show here in front of a wider media audience, and hopefully progress even further in the competition.

I would like to welcome Owen Coyle, the players and staff from Bolton Wanderers to The Den. One look at the quality they have throughout their squad merely emphasises the size of the task facing us today and what an achievement it would be were we to get through to the Quarter Finals.

However, we will not go into this game with any sense of inferiority or the feeling that we are just here to make up the numbers. I'm pleased to say that since the Watford game, we have produced four performances of a much higher quality, and against Southampton and Brighton in particular, played some excellent football. We are now unbeaten in three matches, and whilst we may not have achieved the results against West Ham and Brighton that we deserved, I always maintain that over time performances do take care of results.

If we continue to reproduce displays of the level we achieved on Tuesday and in the last

round of this competition at St Mary's, I am confident that our league position will improve, and also that there is no reason to believe we cannot win this Cup-tie as well.

We are by no means the finished article quite yet. Against Derby, a side with a strong midfield in particular, we were guilty of becoming too anxious and putting early balls in all the time. We need to show more patience than that, particularly against good sides, and I expect us to take that lesson into this afternoon's game.

At Brighton we were frustrated not to have taken all three points having been in front twice, but I was encouraged by the way the team and the fans linked up to spur each other on throughout. It is important that the players clearly retain the spirit and effort that will be needed over the coming weeks, and with an increasing number fit and available for selection, I am hopeful that we are in a good position to meet the challenge of a fixture list that sees us playing virtually every Tuesday and Saturday at the moment.

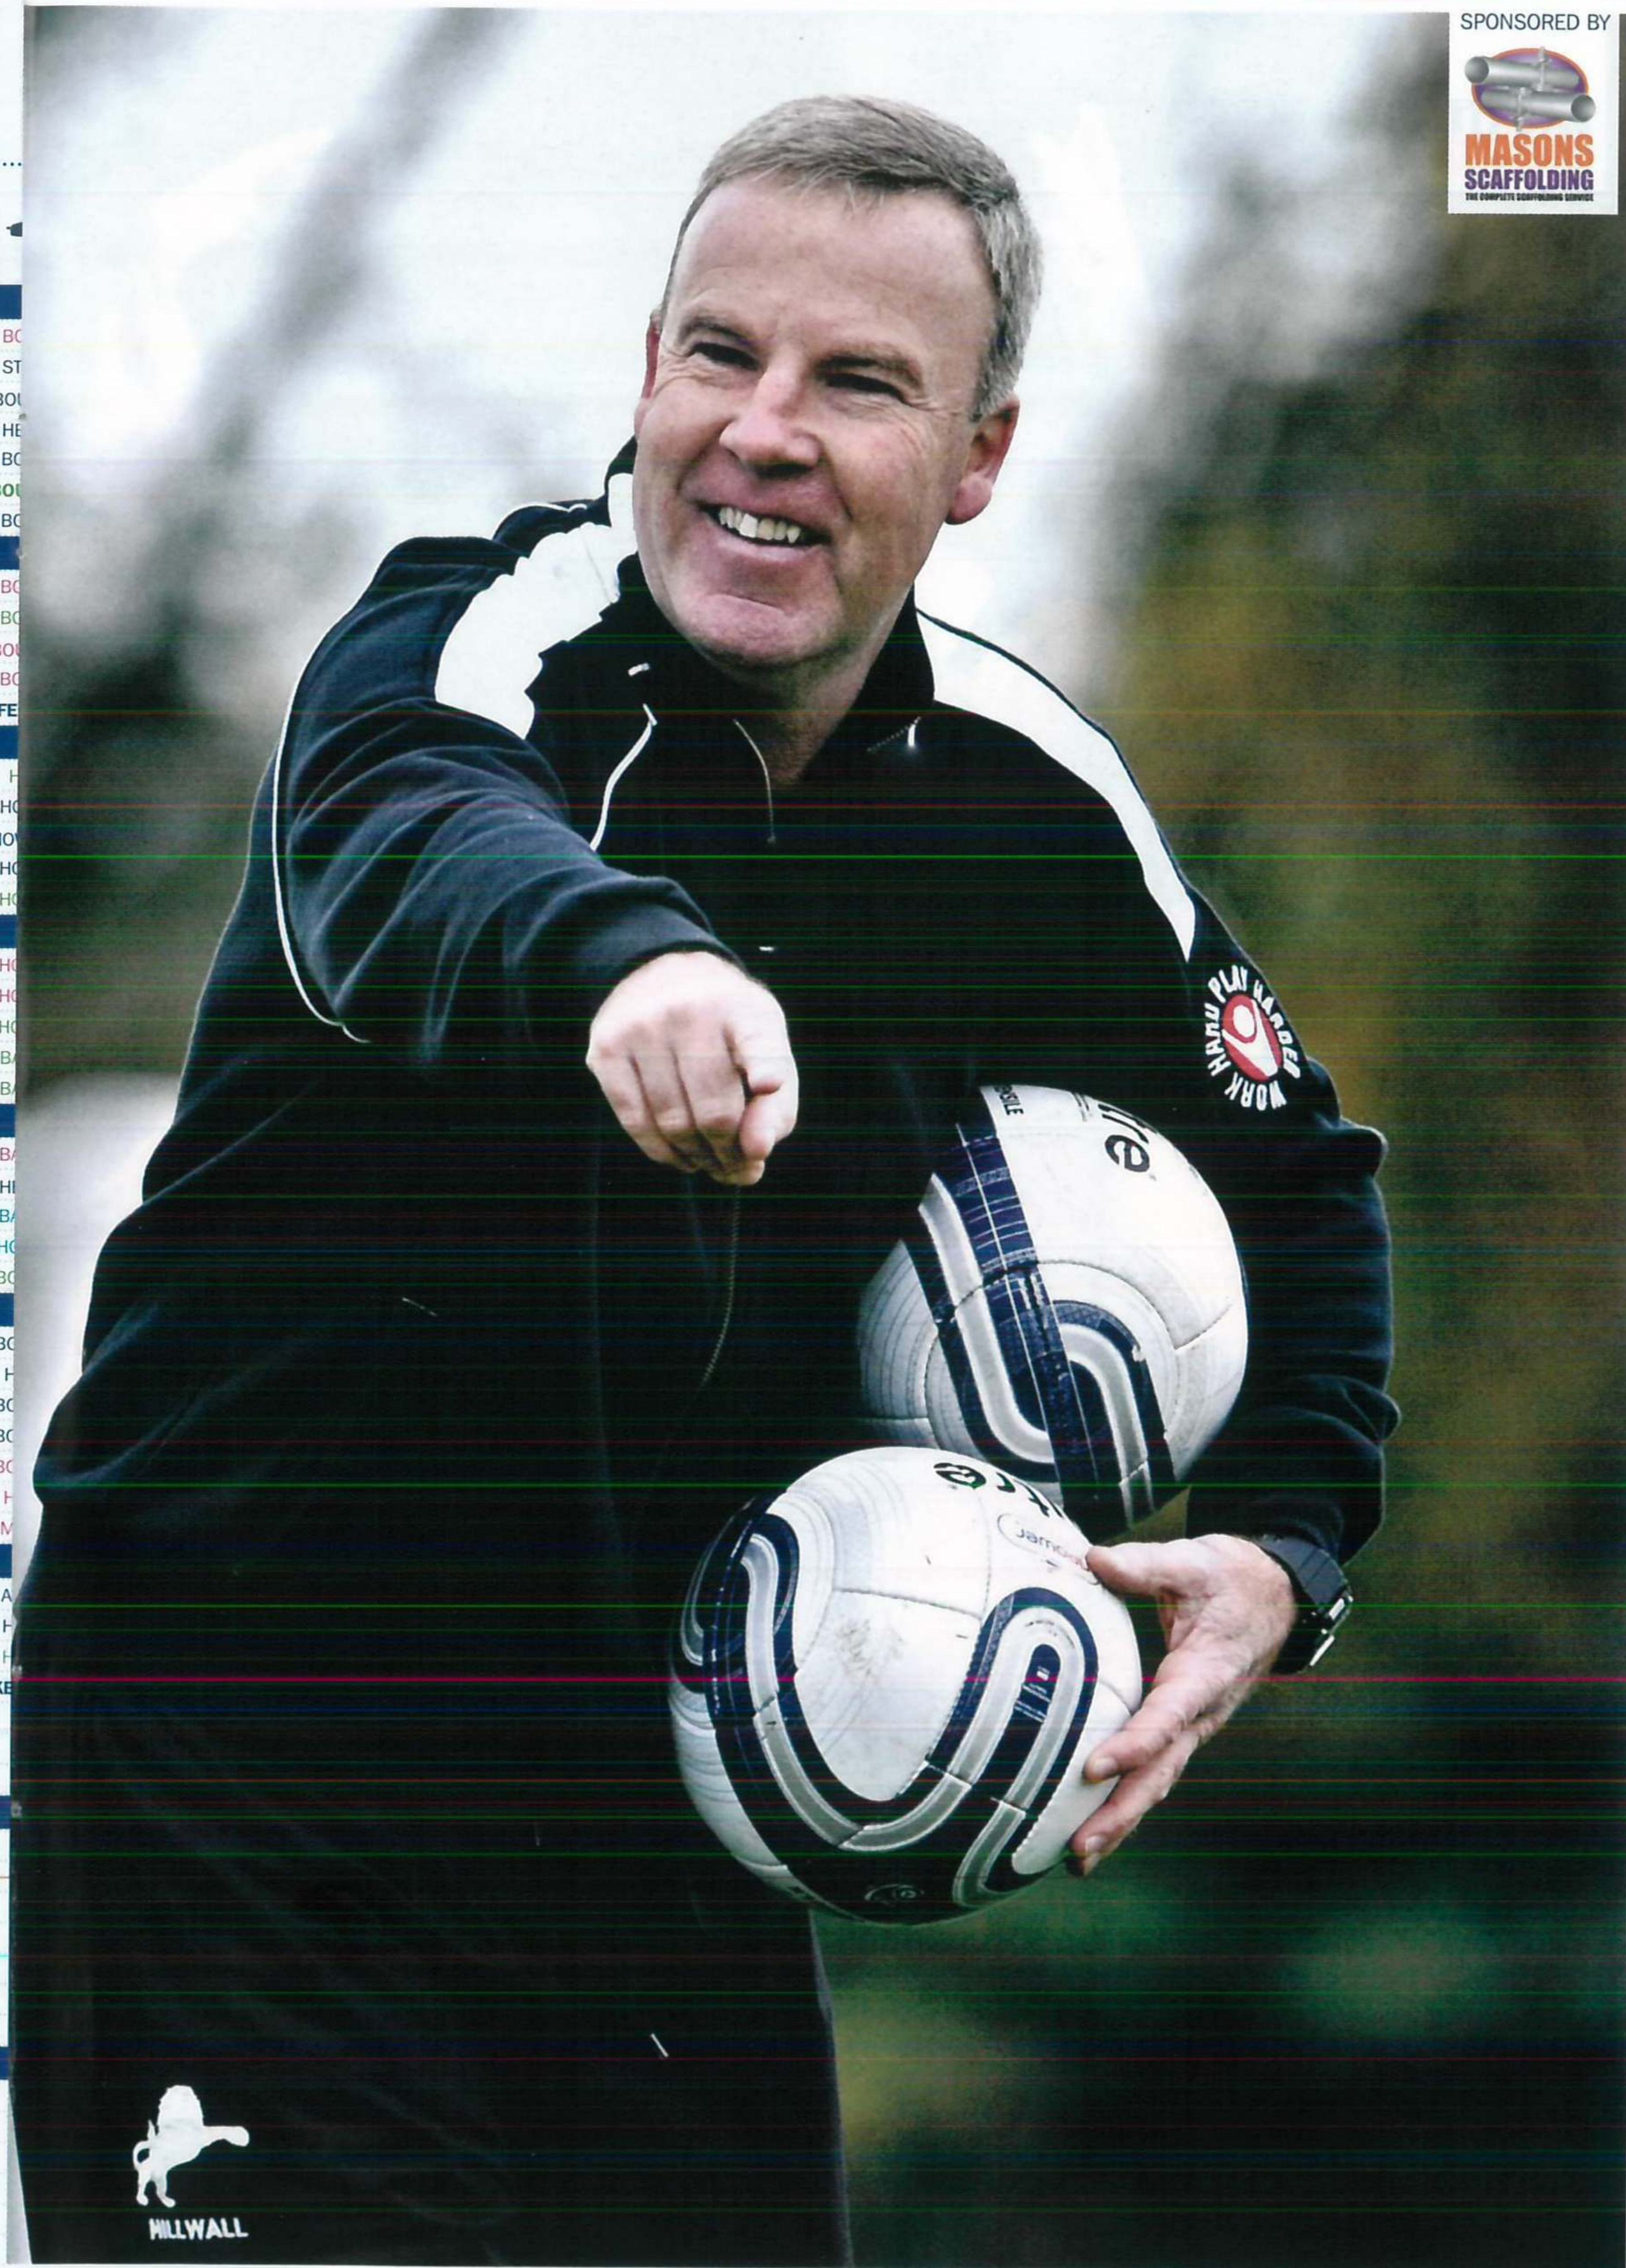

As ever, my thanks for your continued support. Please help to create a real Cup-tie atmosphere today and enjoy the game.

REACTION

After two good performances against Derby and Brighton, it is a bit frustrating to only have two points to show for our efforts. We battled hard at home to Derby and in the second half especially, it felt like we were the ones most likely to score and take the points.

We followed that up with an excellent away performance at Brighton. They are a team in a good run of form but we were very close to taking all three points. We moved the ball very effectively and felt dangerous with every attack we made.

I'm pleased that Andy Keogh opened his account with his first goal for the club and it was just reward for his performance on the night. I think he will prove an excellent addition to the squad over the coming months.

We can take a lot of heart from those two displays and as long as we maintain this form consistently over the next few weeks then results will take care of themselves.

I thought the support you provided at the Amex Stadium was excellent. Having around 2,400 supporters packed in the away end was great to see and it definitely helped in driving the lads on. I bet, like me, you enjoyed the new stadium and are glad to see the back of the Withdean!

Today, however, we welcome Bolton in the Fifth Round of the FA Cup. The players are relishing the opportunity to test ourselves against a team from the Premier League. Despite having a tough season, Bolton's squad is packed with quality and they will provide a huge test for us.

There is a great opportunity to progress to the Quarter Finals of this famous competition where, as we know, anything can happen and with home advantage we know that upsets are what the FA Cup is renowned for.

**CONSISTENCY, THAT'S THE
ELUSIVE QUALITY EVERY
MANAGER, EVERY PLAYER
AND EVERY FAN WANTS
THEIR TEAM TO FIND...**

This season, Millwall's fortunes have fluctuated wildly at times, no more so than in recent weeks.

An excellent performance, described by Kenny Jackett as arguably the best of the campaign at the time, saw The Lions travel back from Barnsley with three precious points following a 3-1 win. This, coming immediately after a bizarre 6-0 thrashing at The Den by Birmingham, suggested a corner had been turned, but it was back to square one with another home defeat to Watford and a display with little to recommend it. Not the best preparation for a massive London derby at West Ham as David Forde acknowledges.

"That has been the story of us this season hasn't it? I don't know why, although when we have been successful in the past few seasons the nucleus of the team has managed to stay relatively free from injury and suspension which doesn't seem to be the case this time round.

For myself personally, this has been the most disrupted season of my career injury-wise. I missed most of pre-season with an Achilles injury, and then having just got myself fully fit and back into form I picked up a thigh problem.

THERE WAS A TIME
WHEN AFTER A
GAME LIKE THAT
PEOPLE WOULD
HAVE TO KEEP OUT
OF MY WAY FOR A
COUPLE OF DAYS!

”

I had never really had a soft tissue injury before and when it first happened I thought it was just a bit of tightness which would soon wear off. In the end, I was out for eight or nine weeks which was very frustrating.

When you're injured you have plenty of time to think and your mind starts working overtime – why did I get this injury when I was in good shape? And so on.

Then, when you are fit again, it takes time to get back to the level of consistency – yes there's that word again – that you had before."

Conceding six goals in his first game back was hardly the confidence boost Fordey wanted, notwithstanding the circumstances of that result, but the Lions keeper is now experienced enough and mentally tough enough to deal with such setbacks.

"There was a time when after a game like that people would have to keep out of my way for a couple of days!" he acknowledges.

But now, with a young family, I have learned to get it out of my system quickly because I have responsibilities to other people.

It was the same after the West Ham game when emotions were running high because of the way we lost. I went home thinking,

'I don't want to watch that again, but then again I do because I want to see if that refereeing decision was as bad as I thought at the time.'

As the ball came towards me I thought, I had better punch it

because if I get challenged as

I try to catch and then drop it there's a tap in for someone. I then

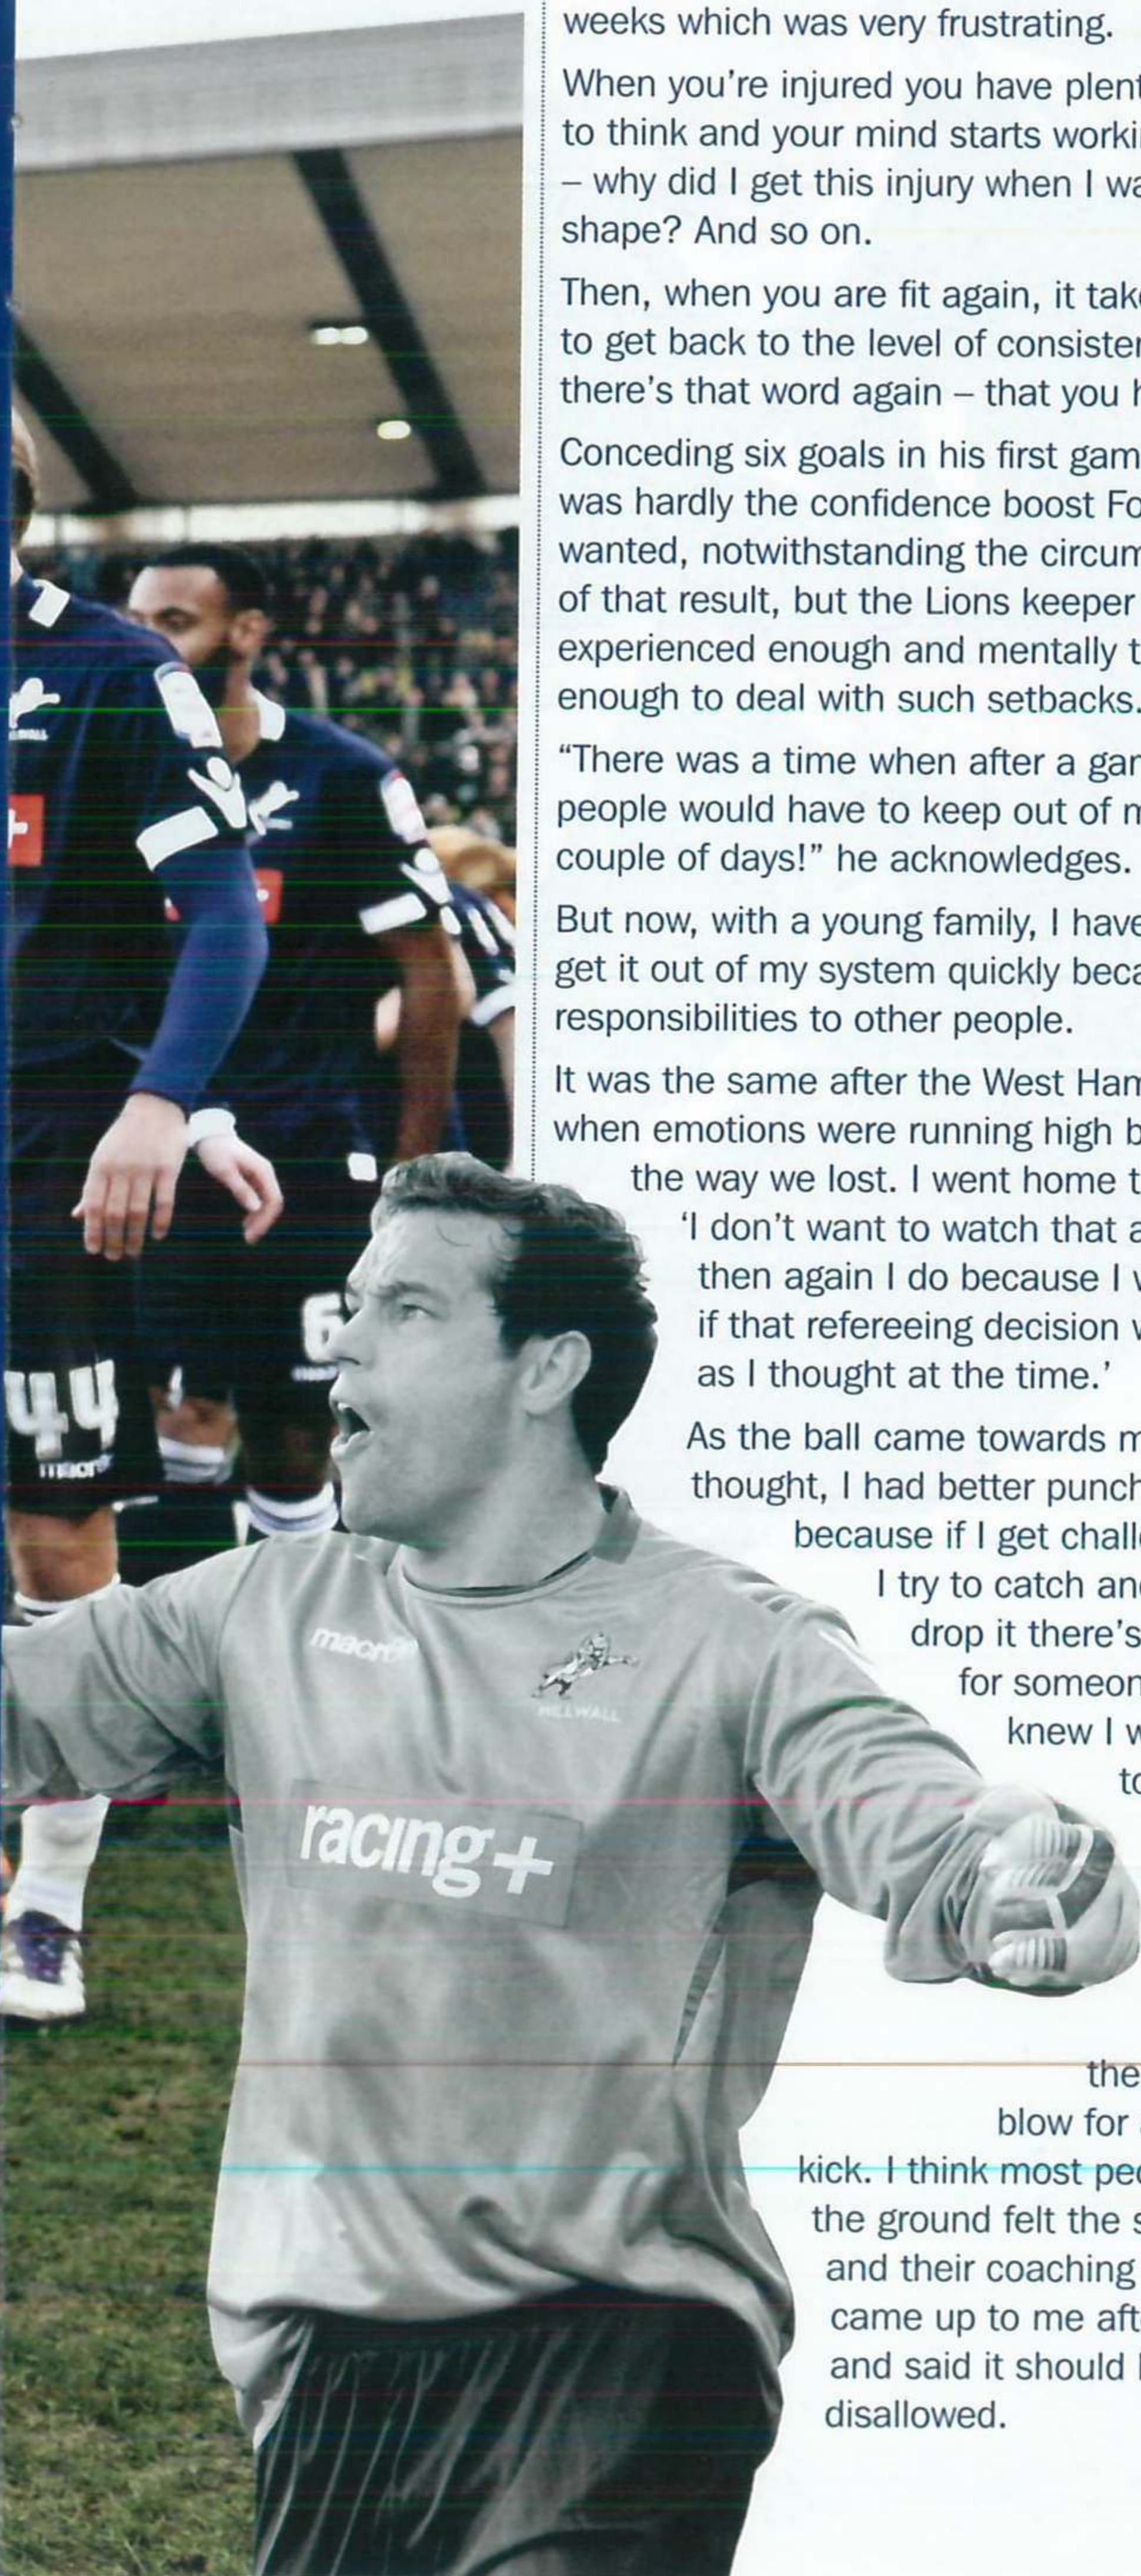

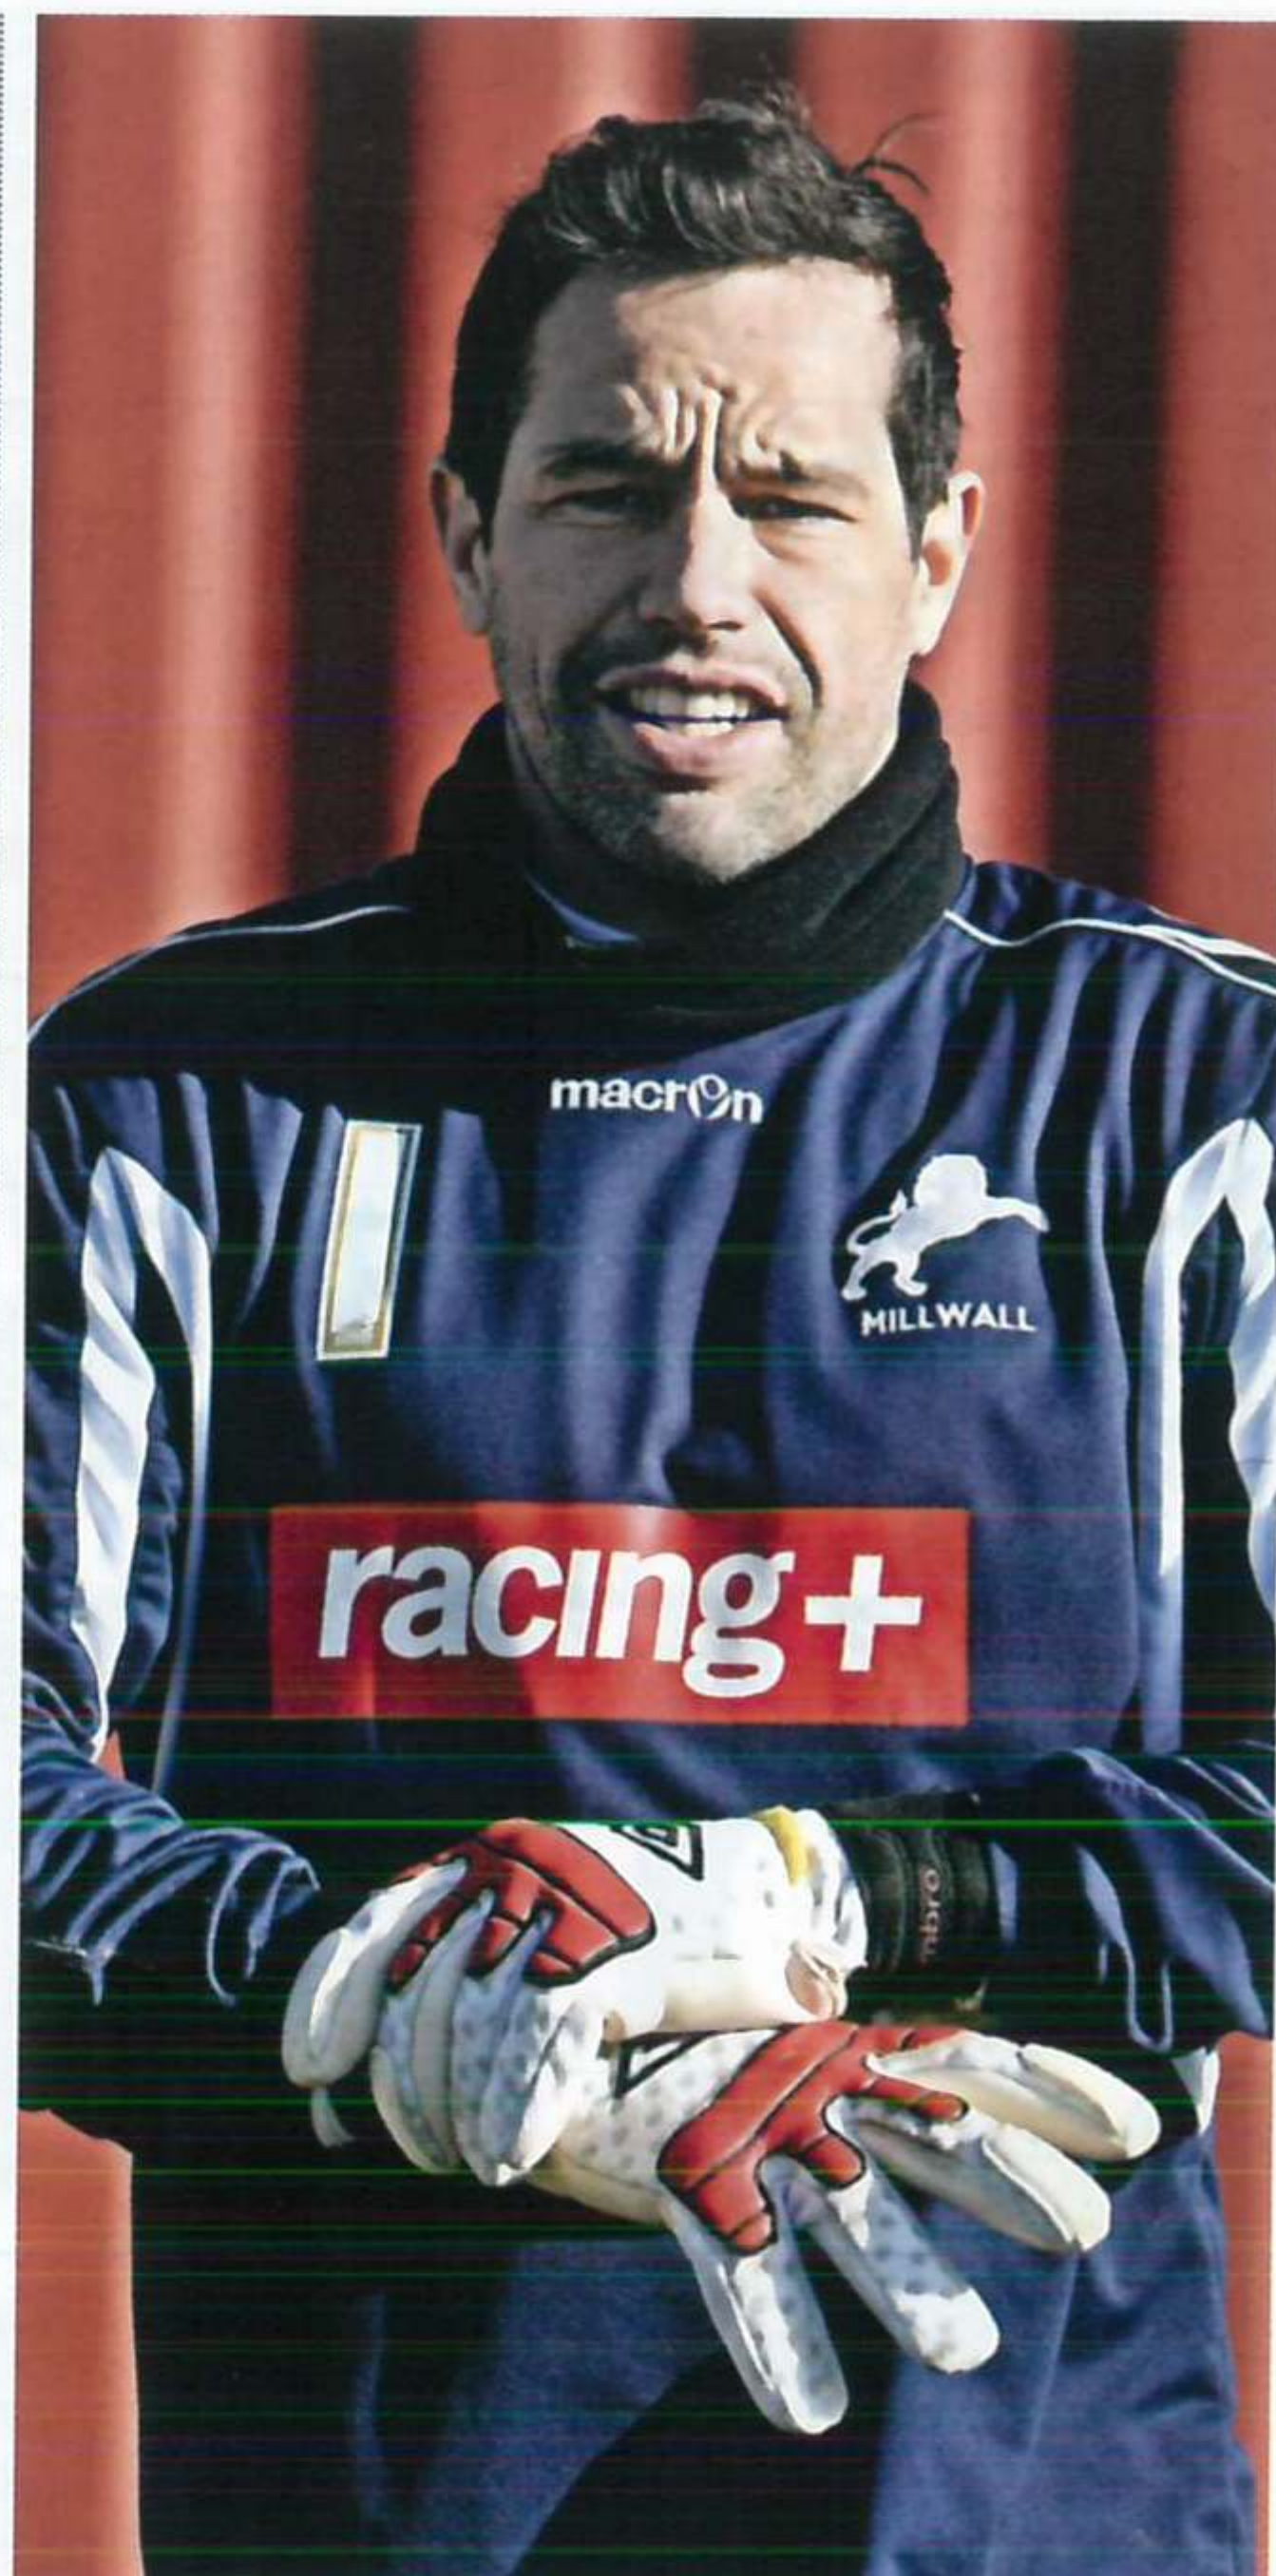

knew I was going to get

clattered by Faubert and just assumed

the ref would

blow for a free-

kick. I think most people in the ground felt the same way, and their coaching staff all came up to me afterwards and said it should have been disallowed.

FEEL THIS IS AN
OPPORTUNITY
TO RELAX AWAY
FROM FIGHTING
A RELEGATION
BATTLE, AND AS A
PREMIER LEAGUE
CLUB, WHATEVER
TEAM THEY PUT
OUT TODAY, WILL BE
FULL OF QUALITY.**

”

It was so frustrating because we were really up for that game and after a great equaliser by Trotts I felt we might go on and win it.

The positive thing from our point of view is that we then went to Southampton and put in a great performance to win down there and earn today's Fifth Round tie against Bolton.

It was certainly one of the best games I've played in this season and just showed what we're capable of. The challenge continues to be to show that form on a regular basis. If we do, we'll be out of trouble in the League and will give ourselves a real chance of progressing further in the Cup.

I think everyone is looking forward to this game. Like ourselves, Bolton will feel this is an opportunity to relax away from fighting a relegation battle, and as a Premier League club, whatever team they put out today will be full of quality. But we'll be right up for it, we'd love to reach the last eight in the FA Cup and start dreaming of Wembley."

So how does Fordey escape the pressures of football?

"You have to keep things in perspective first and foremost," he replies. "When we're training and playing, our focus is on doing everything we can to try to stay in the Championship and make the season one to remember with a good Cup run.

But then when you spend time with the family, or go along to a local school to give out prizes or whatever, you remember just how lucky you are.

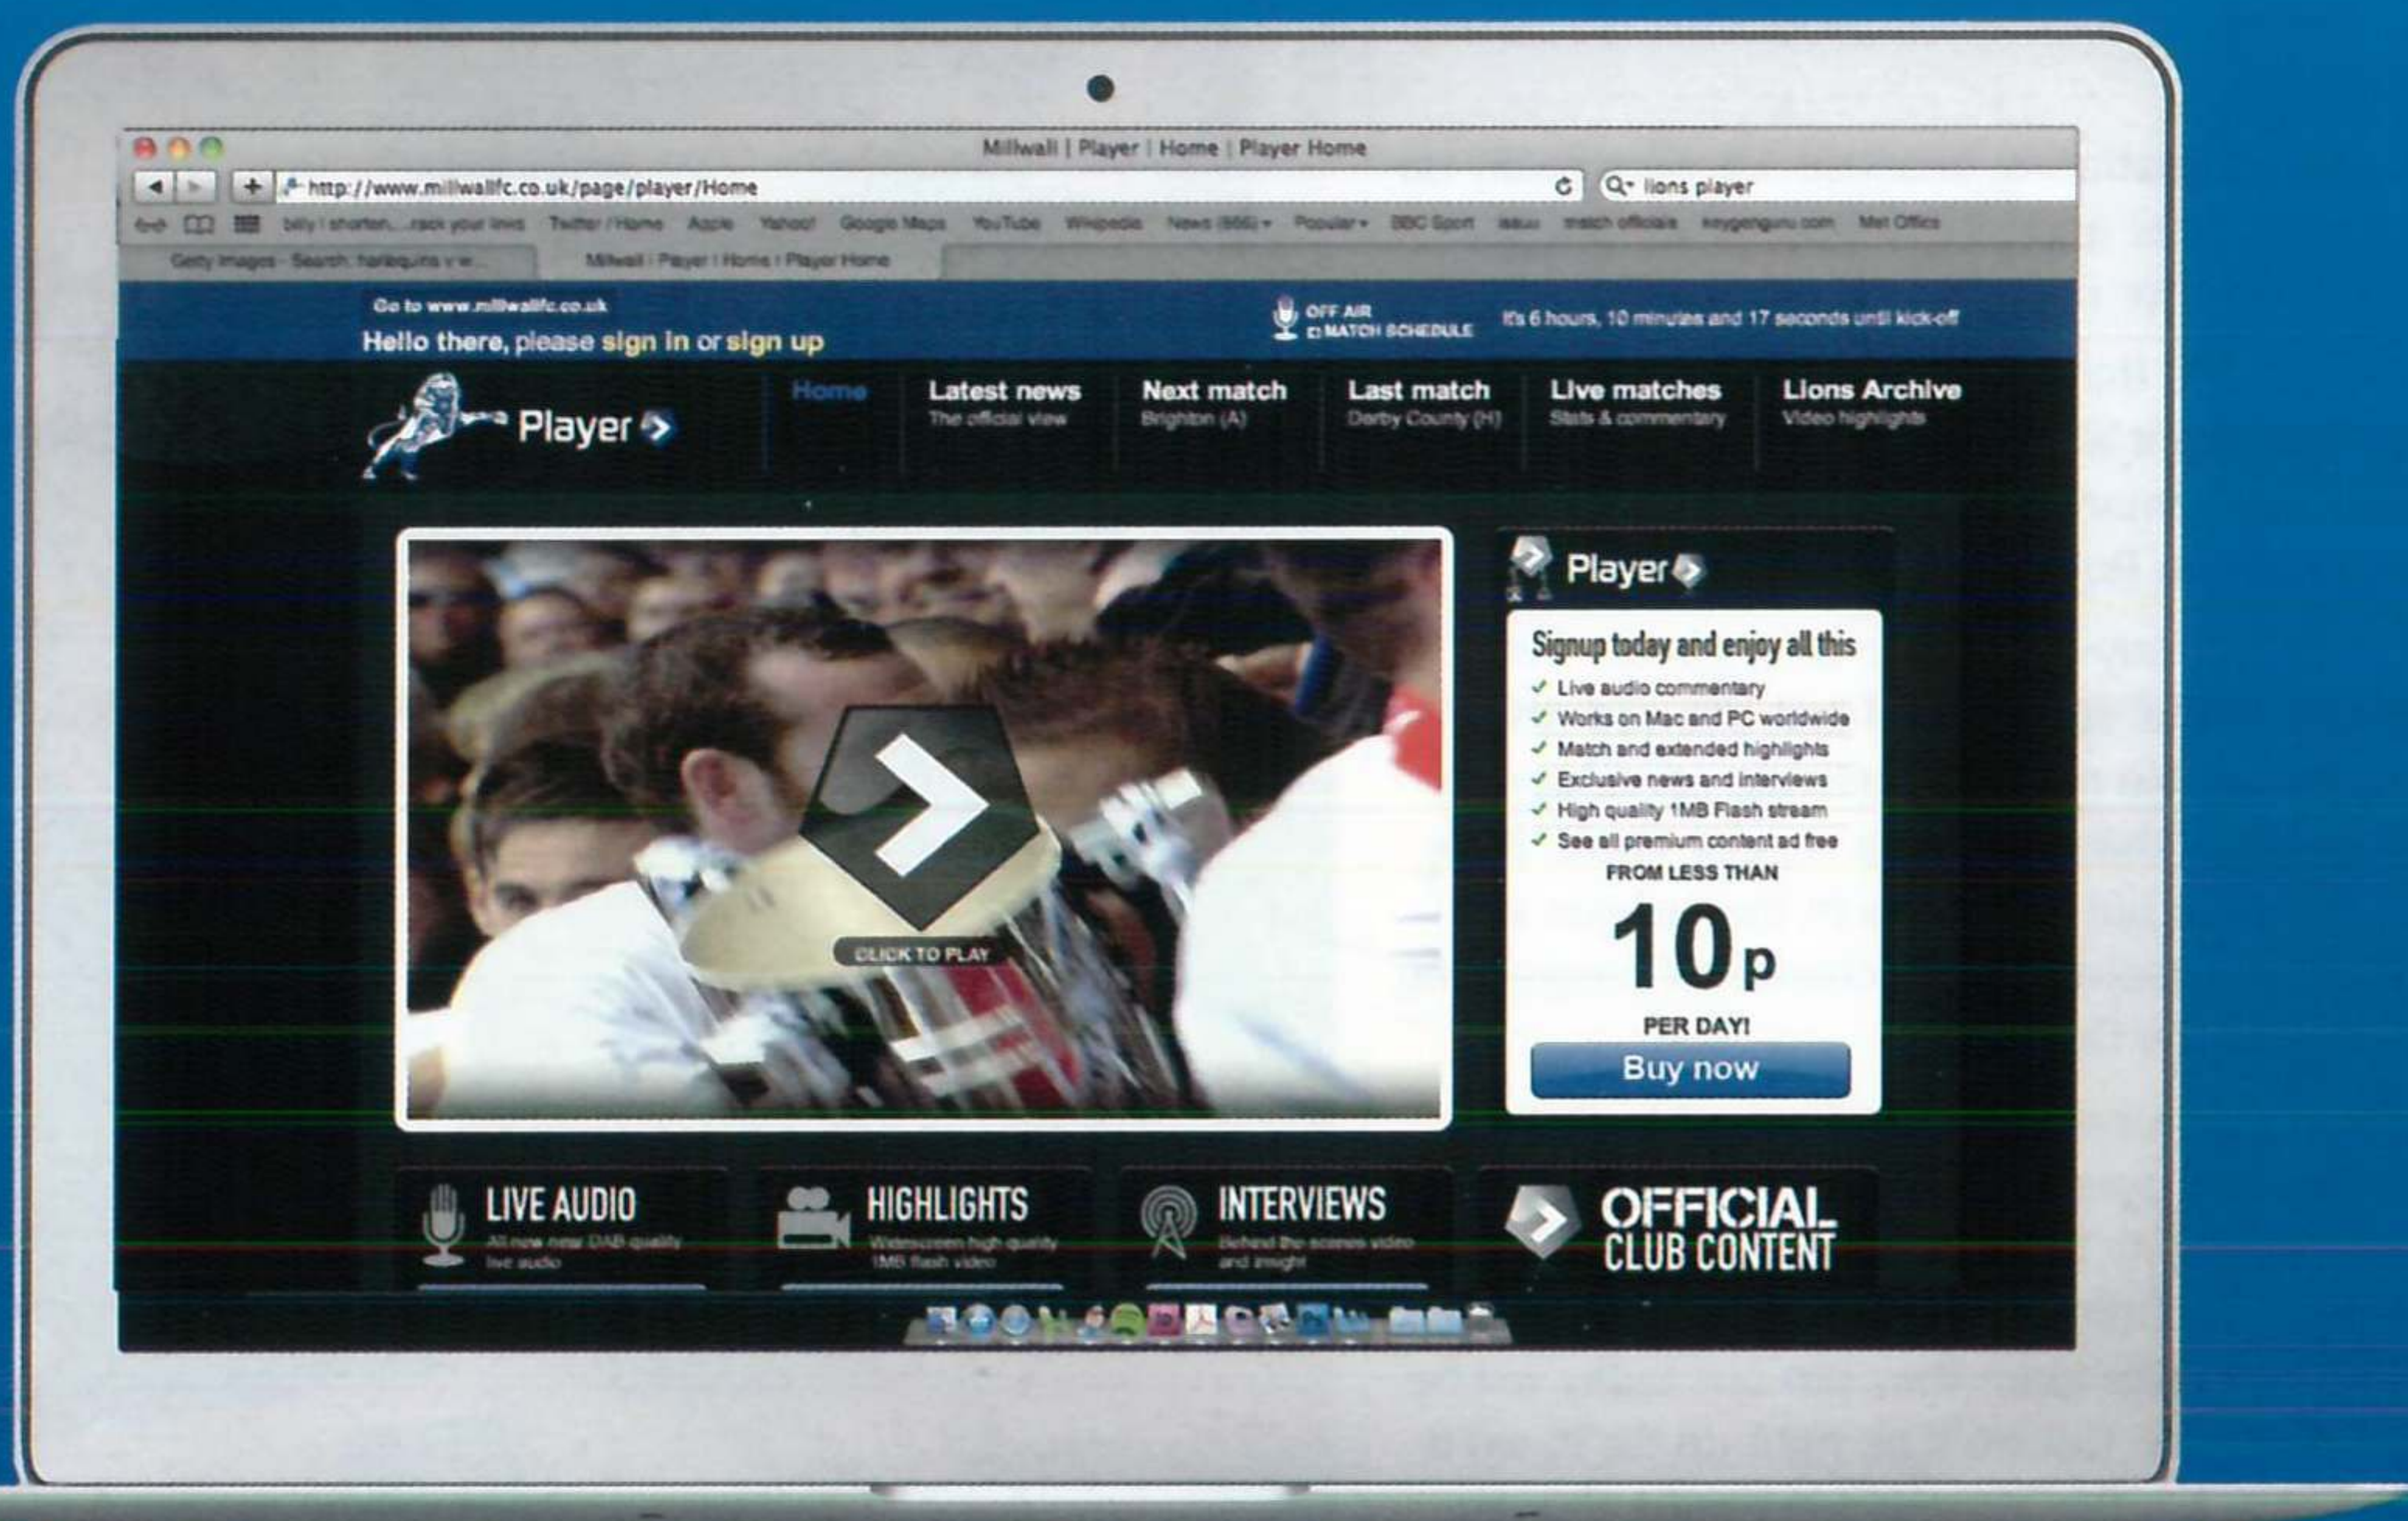

I do enjoy doing things like that. Last week I went along to St Michael's Catholic College and had a great time meeting the kids and so on. I think it's important to do that and give something back to the local community. I remember what it was like back in Ireland when local sports stars came to the school with the Sam Maguire Trophy (Gaelic football) or the All Ireland hurling team visited. We were buzzing for weeks afterwards."

And does he get recognised more back in Ireland now he's part of the international set-up with the Republic?

"I do a bit more, yes. As a kid I always dreamed of playing for my country, and now to be part of the squad going to the Euro 2012 tournament finals would be fantastic.

I've got to keep playing well for Millwall – consistently – and if I can be part of a strong finish to the season here, hopefully I'll be on that plane to Poland and Ukraine in June."

PLAYER POWER KEEP UP WITH THE LIONS' BUSY SCHEDULE

Despite having managed to avoid falling victim to the cold weather so far this winter, Millwall's continued involvement in the FA Cup has still meant a packed fixture list over recent weeks, something that looks likely to continue between now and the end of the season.

The Lions have midweek away trips to Peterborough United and Doncaster Rovers coming up – but if you can't make a Tuesday night trip, make sure you don't miss a kick as Kenny Jackett's men look to pull themselves clear of the Championship drop zone.

THE TROTTERS

It's never easy predicting what the manager of a Premier League club will do when picking a side to play in the FA Cup, particularly when they play against a team from a division lower than themselves. Yet, in spite of staring a drop to Championship status in the face, Bolton boss Owen Coyle has kept his side fairly stable.

Although having a fine goalkeeper in **Jussi Jaaskelainen**, the Trotters boss has been using the Hungarian **Adam Bogdan** between the sticks in recent weeks and he has shown his worth with some impressive displays.

David Wheeler, **Zat Knight** and **Samuel Ricketts** have been the mainstays of his defence with **Joe Riley**, **Dedryck Boyata**, **Tyrone Mears** and **Gretar Rafn Steinsson** taking their places in the side when called upon.

Central defender Wheeler looked set to break into the England set up whilst at Middlesbrough but things didn't quite go the way the classy defender hoped, and two red cards already this season have curtailed his appearances to date.

His appointment as manager signalled a second coming at Bolton Wanderers for **OWEN COYLE**, who served as a player for two-and-a-half years between 1993 and 1995.

The 45-year-old Scot was an integral member of the squad that earned promotion to the Premier League in the 1994/5 season and indeed he scored Wanderers' first goal in the dramatic 4-3 Play-Off final victory over Reading at Wembley.

Coyle's first solo venture into management came in 2005 when he was placed in charge of St Johnstone. He proved his managerial credentials by guiding the Perth outfit to two successive second-placed finishes in the Scottish First Division and Coyle was nominated for the Manager of the Year award.

Championship Burnley came knocking, and in 26 months at the Turf Moor helm, Coyle transformed The Clarets from a mid-table second tier side into a Premier League force.

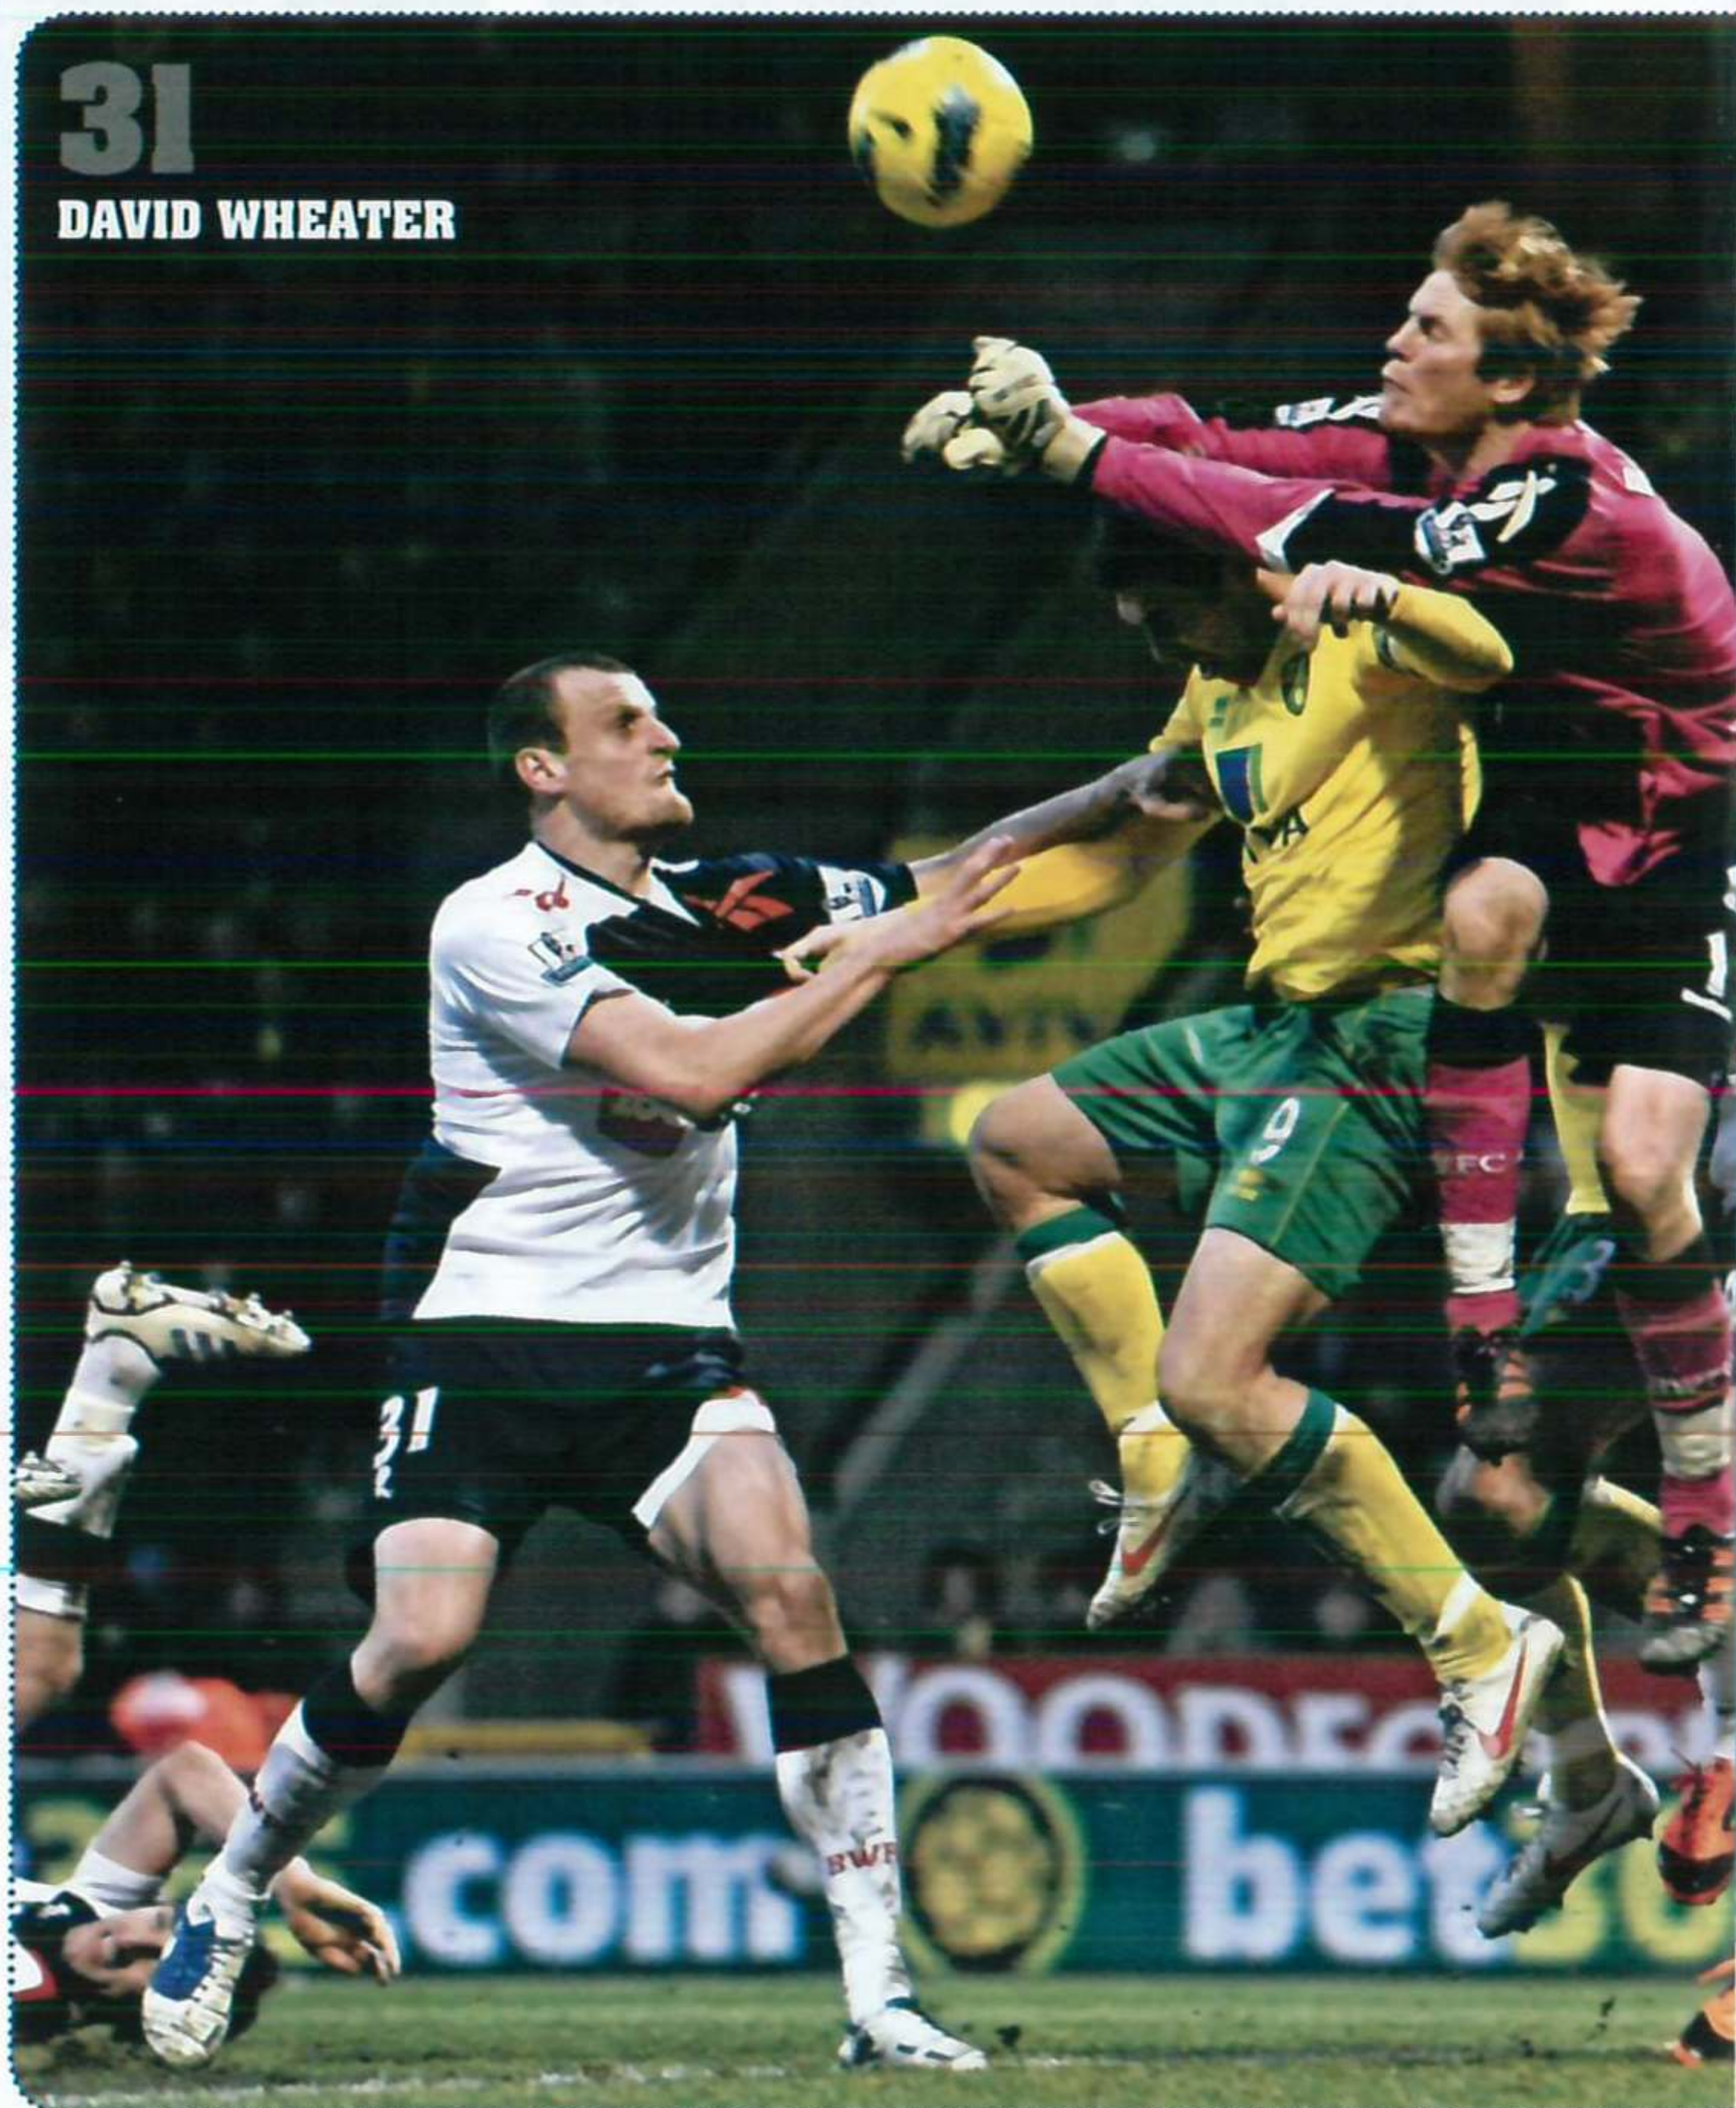

When Bolton offered Coyle the opportunity to become manager at the Reebok, he moved across Lancashire and helped guide the club to a 14th place finish in his first five months in the role. Whilst this season has not gone according to plan, Coyle's natural enthusiasm for the game will come in handy as The Trotters bid to keep their top flight status.

His defensive partner, Knight, has had England recognition. At 6' 6" he is good in the air and although still to find the back of the net this season, is a danger at set pieces.

Ricketts joined the club at the same time as Knight in 2009 and although a right back, his versatility has seen the Welsh international fill a variety of defensive positions since arriving at The Reebok.

Steinsson has been vying with Ricketts for the right back spot and is a steady defender who likes to get forward when he can.

On loan from Manchester City, Boyata is an exciting young player whose energetic displays have made him a favourite with the fans.

Riley and Mears are likely to find themselves on the bench this afternoon, both having seen first team action this season.

Bolton's midfield is likely to consist of **Chris Eagles**, **Martin Petrov**, **Nigel Reo-Coker** and **Mark Davies** with **Fabrice Muamba** and **Darren Pratley** filling the substitutes' roles.

Reo-Coker is an all-action central midfield player and his energetic play will need to be watched carefully, while his likely partner, Davies, adds an attacking option to the side and he has recently scored goals consistently.

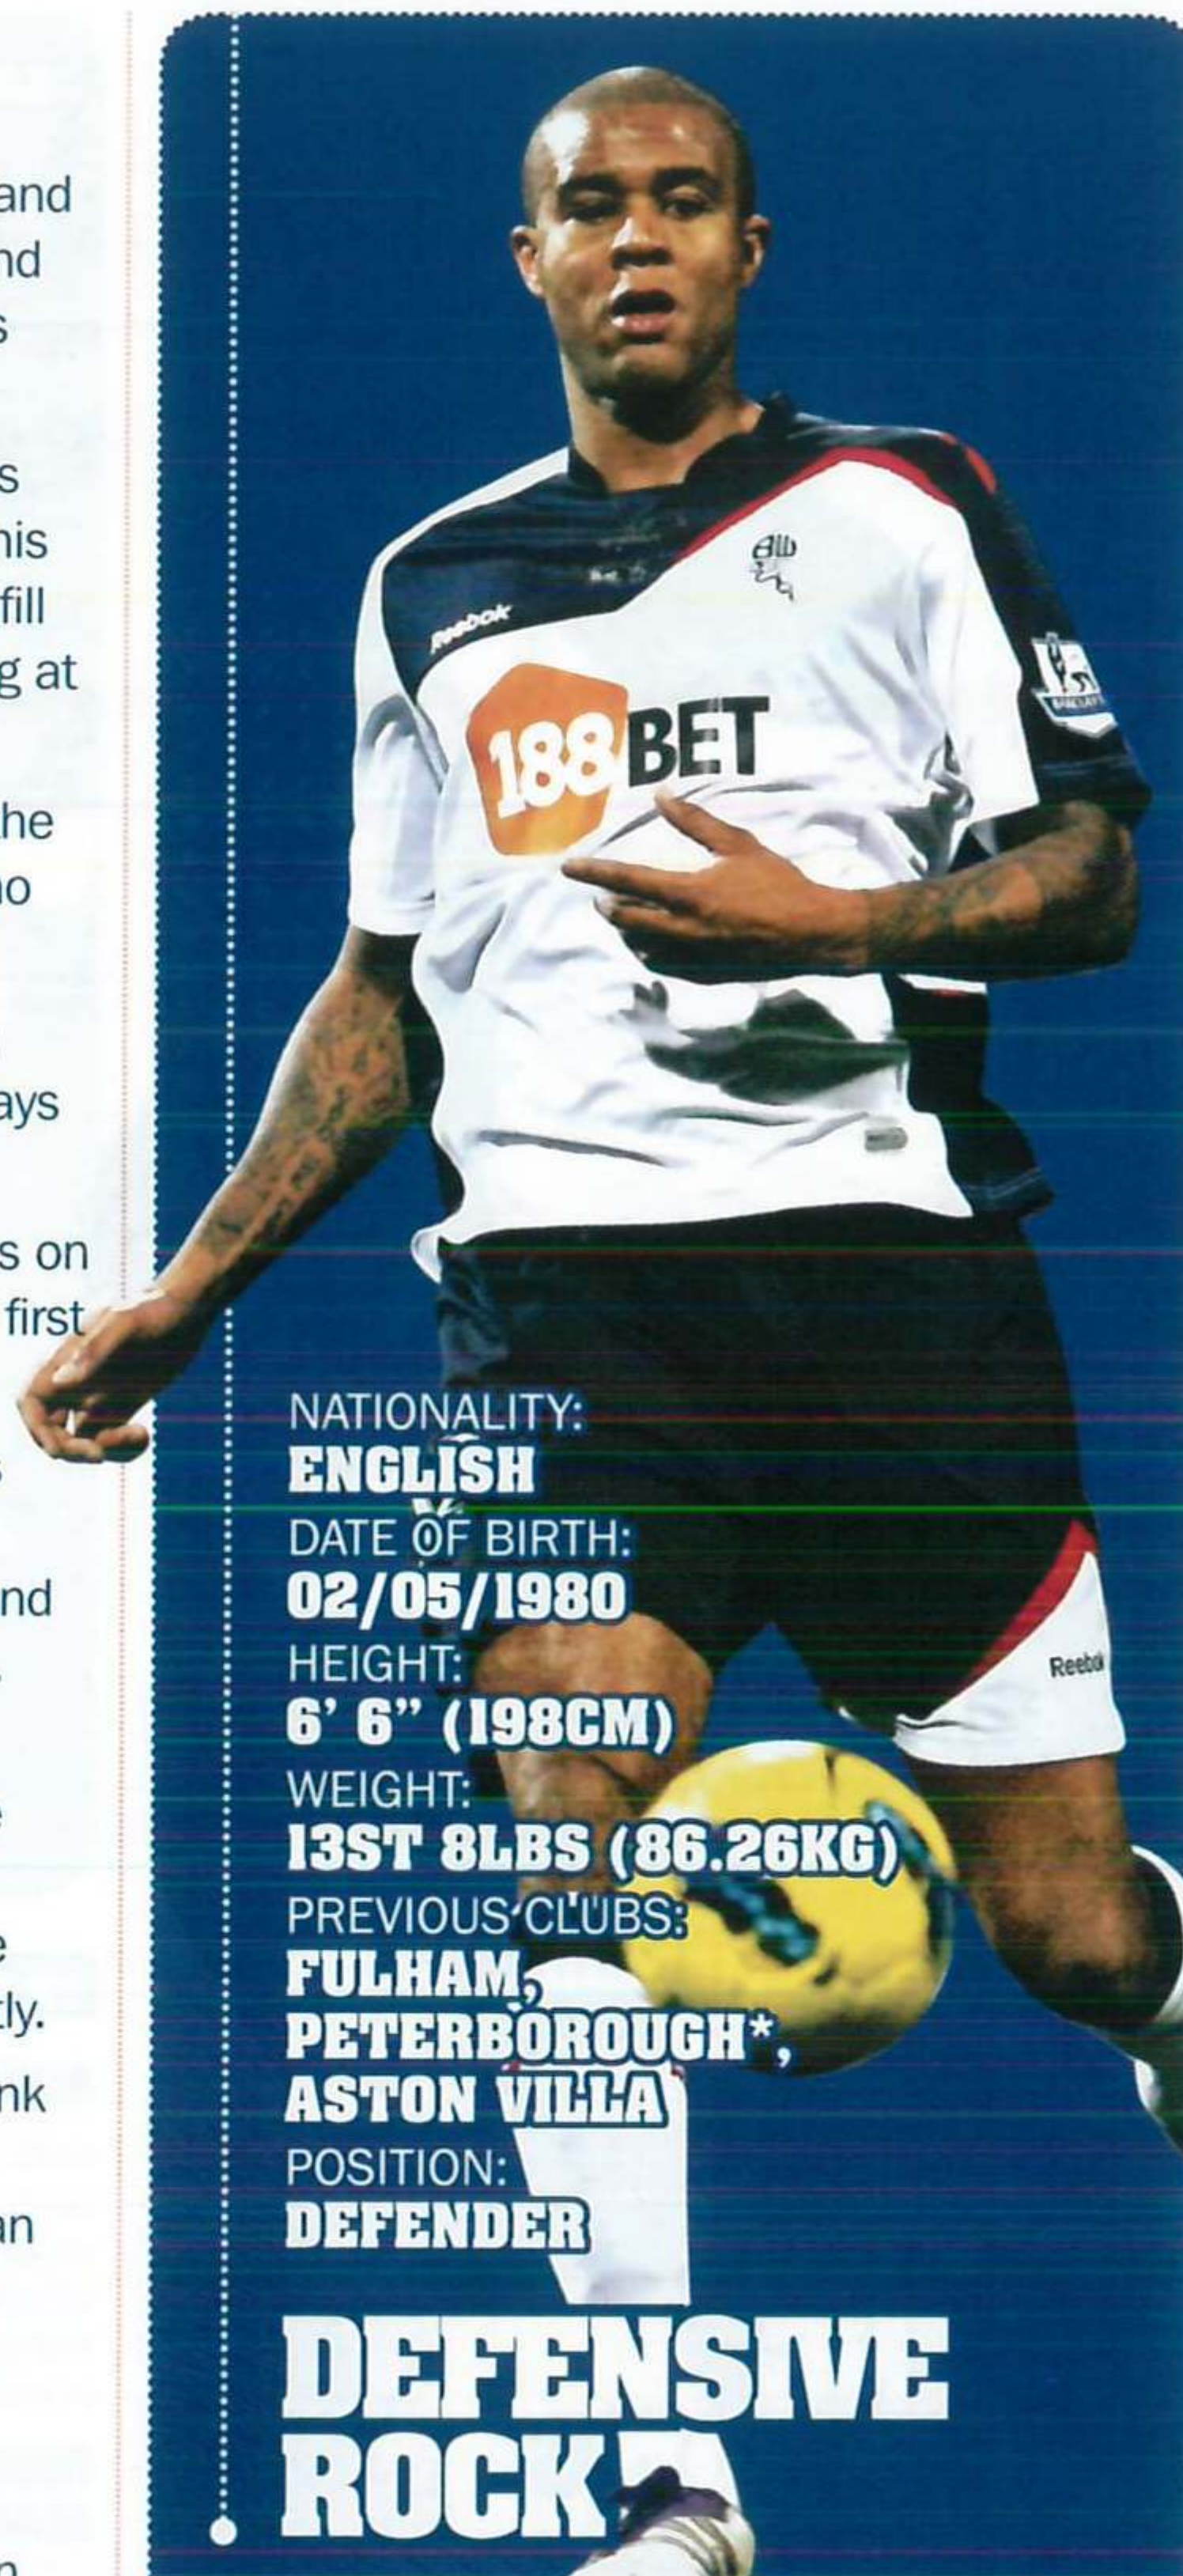

Eagles is a constant threat down the left flank and his trickiness will cause problems. He too chips in with the odd goal while Bulgarian Petrov has a ferocious left foot shot and his dead ball expertise will be put to good use when called for.

Ex-Millwall loanee, **Kevin Davies** may well find himself leading the attack this afternoon, although he has been finding it hard to secure a regular starting place so far this season as has **Tuncay Sanli**. However, neither of them will be out of place in the side and will make life difficult with Tuncay's tricks and Davies' robustness bringing contrasting styles of play to the game.

Recent acquisition from Watford, **Marvin Sordell** is cup-tied, having played for Watford in the last round against Spurs. He would have been a doubt for this game anyway having picked up a knock in training.

Coyle still has other options up front, with **Ivan Klasnic** and **David Ngog** to choose from.

Ex-Liverpool man Ngog has found goals hard to come by, although his running at defenders will always create chances, whilst Klasnic has netted eight times this season and his scoring credentials are second to none at the club.

FORMER LION

Hard-working striker **KEVIN DAVIES** moved to Bolton after enjoying a spell on loan with Millwall during the 2002/3 campaign. Three goals in nine League appearances, before returning briefly to Southampton meant he arrived at The Trotters in good form and he has not looked back, becoming a fans' favourite in the process.

His never-say-die attitude and tireless workrate make him the perfect foil for the likes of Ivan Klasnic and David N'Gog, and so well respected is he in the dressing room that any and all bids for his services in the January window were rebuffed.

Whilst he has not been starting as much as he would have liked in recent weeks, his vast experience and strength in the air remain a key feature of the Bolton attack.

WHAT THE GAFFER SAID...

"IT WAS AN EXCELLENT GAME AND WE SCORED THREE VERY GOOD GOALS. AT THE MOMENT OUR PRIORITY IS STAYING UP BUT I HOPE THAT OUR WIN CAN HELP BREED CONFIDENCE.

AFTER THE DEFEAT AT WEST HAM, WE NEEDED TO FRESHEN THE TEAM UP A BIT BY BRINGING IN LADS LIKE RYAN MASON AND JOSH WRIGHT, WHO HAS BEEN WAITING FOR HIS CHANCE. I'M PLEASED TO SAY THAT WE GOT A POSITIVE RESPONSE FROM EVERYONE." **KJ**

LIONS SUB LIAM FEENEY STRUCK A STUNNING INJURY-TIME WINNER TO SETTLE A FIVE-GOAL THRILLER AND SET UP THIS AFTERNOON'S FA CUP FIFTH ROUND TIE WITH BOLTON WANDERERS.

THE MAGIC OF THE CUP WAS ALIVE AND KICKING ON A MEMORABLE NIGHT FOR KENNY JACKETT'S MILLWALL, WHO RECORDED THEIR FIRST EVER WIN AT ST MARY'S - AND LONG AWAITED FIRST SUCCESS AGAINST THE SAINTS IN 11 STARTS.

VICTORY WAS NO MORE THAN THE LIONS DESERVED, HAVING BATTLED BACK FROM A 2-1 DEFICIT AFTER ADAM LALLANA (35MINS) AND RICKIE LAMBERT (76MINS) HAD CANCELLED OUT LIAM TROTTER'S 17TH-MINUTE OPENER FOR THE LONDONERS.

DANY N'GUESSAN (79MINS) HAULED MILLWALL LEVEL AT 2-2 WITH A BULLET HEADER (LEFT) AND THE GAME LOOKED TO BE HEADING TOWARDS AN ENERGY-SAPPING 30 MINUTES OF EXTRA-TIME.

BUT FEENEY, AN 83RD-MINUTE REPLACEMENT FOR N'GUESSAN, HAD OTHER IDEAS AND SENT THE TRAVELLING FANS INTO ECSTASY WITH AN UNSTOPPABLE 20-YARDER THAT FLEW INTO THE TOP CORNER (BELOW) TO SEND MILLWALL THROUGH.

COMMUNITY NEWS

ST JAMES HATCHAM WIN THRILLER AT THE DEN

During the half time interval last Saturday against Derby County, Crawford Primary School and St James Hatcham School went head to head in the local final of the *npower* Kids Cup.

In front of the Millwall crowd, the two teams started nervously, testing both keepers from distance. With two minutes to go, St James Hatcham went ahead and looked destined to represent Millwall in the regional finals in March. However, Crawford had other ideas and promptly drew level with the final kick of the game to send the match to penalties.

The crowd had now started to really get into the game and were vocal in their support for both teams. After each school took three penalties they were still level and moved into sudden death. St James Hatcham took the first...GOAL! Up stepped Crawford....SAVED!

St James Hatcham will now go forward to represent Millwall and the Millwall Community Scheme in the next round of this national competition which will take place in Reading on Monday 12th March.

At the regional finals, teams from the Championship South including Brighton, Bristol City, Cardiff City, Coventry City, Crystal Palace, Ipswich Town, Portsmouth, Reading, Southampton, Watford and West Ham will all take part.

The Millwall Community Scheme would like to congratulate St James Hatcham and wish them the best of luck for the regional finals.

At the end of the game, St James Hatcham were presented with a brand new playing kit and footballs by Decathlon Sports, Surrey Keys as part of their continued partnership with Millwall FC and the Millwall Community Scheme.

CHAMP

1961/2 WINNING TEAM

As we celebrate our sixth Dockers' Day here at The Den, we welcome back players who represented the club with distinction half a century ago.

Chris Bethell tells the story of Millwall's Fourth Division Championship - winning side of 1961/2.

Then chairman Micky Purser described the campaign of 1961/2 as 'the most important season in the club's history'.

Millwall had finished sixth in the previous campaign, 10 points off the promotion places. Crystal Palace's promotion that year left The Lions as London's only representative in Division Four and, in a bid to follow in our near-neighbours' footsteps, manager Ron Gray signed both experience and youth.

Former England international full-back Tommy Garrett, from Blackpool, provided some know-how and the youth was supplied by another full-back, a young lad who hadn't quite made the grade at West Ham, a certain Harry Cripps. Two other West Ham players, wing-half Harry Obeney and goalkeeper Gary Reader, also arrived as well as half-back Des Anderson from Hibs.

Despite strengthening their squad, Millwall made a less than ideal start. An opening home defeat by Wrexham followed by a 4-1 hammering at Rochdale left the pall of doom hovering over The Den. In only the second home game, Lions' fans resorted to slow hand clapping during a 1-1 draw with Rochdale.

However, that show of discontent proved the turning point for an upward swing in form and Millwall went six games without defeat. The first of those saw The Lions thrash top-of-the-table Workington 5-0 after being 4-0 up in the first 25 minutes.

In a matter of weeks, Millwall rose from 19th to a place in the top six, and by the turn of the year, were seven points behind leaders Wrexham. Their no frills style of play was simple - get the ball first, which they usually did, and feed Dave Jones and Peter Burridge inside or Joe Broadfoot

and Terry McQuade on the outside with the minimum of fuss. It was usually through the wingers that most positive things happened, though John Gilchrist, Dave Harper, Anderson and Obeney could all supply the front men to wonderful effect.

They still needed a player up front to take the workload off Burridge and Jones and give opposing defences something else to think about, and the signing of Pat Terry from Northampton proved to be a good move by manager Gray. It didn't take long for Terry to introduce himself as he scored the opening goal on his debut in a 3-0 victory at Chesterfield. Slowly but surely, The Lions were closing the gap and by early March had not only sneaked into the top four but were homing in on the leading two, Colchester and Wrexham.

A major shock in the Football League on 5th March hit the Fourth Division as Accrington Stanley resigned from the League, meaning all Accrington's games were null and void. On the night of their withdrawal, Millwall had disposed of Doncaster 2-0 at New Cross to move into second place but were still three points behind free-scoring Colchester. However, because of Accrington's misfortune, Millwall suddenly found themselves just a point behind the leaders as Colchester had completed the double over Stanley already.

Nonetheless, The Lions continued to ooze class but now played with increasing self-belief, which was typified by an excellent victory at promotion-chasing Aldershot. However, their new-found resolve was put to the test on 17th March when Colchester visited The Den. They left empty-handed, out-gunned and outmanoeuvred by a Millwall side with an eye on the title. A Broadfoot goal in each half sent the 16,568 crowd home delighted.

Seven days later The Lions started pulling away from the pack with a 4-2 victory at Chester. They left it late though, with Jones scoring one of the most rapid hat-tricks in the club's history, striking in the 84th, 86th and 88th minutes. It proved the stepping stone to the summit as, in the next match, The Lions finally climbed to the top of the table winning 3-0 at home to Tranmere while Colchester lost 4-0 at Barrow.

Millwall kept up the momentum against Hartlepool, scraping a 3-2 victory with three goals in nine minutes. Just under 20,000 turned out to see The Lions complete their home programme on the Good Friday with a comfortable 2-0 win over Exeter but did not yet have the pleasure of cheering a promoted team with still half a dozen clubs in contention.

Millwall faced three away games that would secure Third Division football. The first was against Darlington in front of just 2,717 supporters but The Lions achieved promotion in brilliant style. Top-scorer Burridge started the rout in the first half, Terry added a second - to score for the sixth successive game - and Millwall finished 5-1 victors. The news filtered through that York had lost 2-1 at Stockport meaning The Lions were up.

Promotion achieved, Millwall's eyes were now on the Championship title. Two days after the victory at Darlington, the travel weary Lions were at, of all places, Exeter - the scene of their last promotion back in 1938.

This time, a solitary Gary Townend goal secured a point and, with an inferior goal average, it meant Millwall needed to avoid defeat a week later at Barrow to make the Fourth Division crown theirs. Barrow were a handy outfit, and twice The Lions fell behind, only to fight back, and after Burridge's 74th-minute equaliser, The Lions hung on and clawed their way to triumph and the Fourth Division Championship.

In clinching their first title in 24 years, Millwall had at last escaped the dreaded Fourth Division. After 14 miserable seasons in the lower tier of English football, The Lions were back to where they had started, but with a much stronger and powerful team, one that was used to winning. They would, however, go on to do just enough to clinch safety by three points a year later.

FOURTH DIVISION

DAVE JONES
INSIDE-FORWARD
1959-1964

165 GAMES | 71 GOALS

An England youth international, Dave played for Crewe and Birmingham before

signing in December 1959. Partnered Peter Burridge up front and notched 22 goals in this Championship-winning season.

TERRY McQUADE
OUTSIDE-LEFT
1961-1963 & 1965-1966

37 GAMES | 8 GOALS

A capture from amateurs Enfield in

October 1961, Terry appeared in 22 games scoring four goals in the 1961/2 season. Direct, speedy and with excellent crossing skills, he left for QPR and then Dover before returning to The Den in 1965. Terry played in another Millwall promotion side before leaving for non-league football then plying his trade in South Africa.

HARRY OBENEY
MIDFIELD
1961-1963
76 GAMES
10 GOALS

Harry joined The Lions in May 1961 when he moved across London from West Ham along with Harry Cripps and

keeper Peter Reader. He played in midfield, prompting and supplying the forwards and after leaving Millwall, went into non-league football, playing for Dover and Romford, winning a Southern League title medal in 1967.

PETER BURRIDGE
STRIKER
1960-1962

87 GAMES | 58 GOALS

Peter signed from Orient in August 1960 and it was at The Den that the exquisite Burridge created a niche for himself as a fabulous goalscorer to rank alongside Teddy Sheringham as one of Millwall's greats. Burridge, with his neat footwork, was lethal anywhere within 25 yards of the goal, and his 35 League goals in the 1960/1 season is still a post war record. 38 goals in all competitions that season put him level with Richard Parker's 1926/7 achievement. He was also leading scorer with 23 in the championship season.

RAY BRADY
CENTRE-HALF
1957-1963
165 GAMES

Ray joined from Dublin club Transport FC in July 1957 and was a tall, commanding figure at the back who took no

prisoners as one would expect for a tough and rugged defender. He only missed one game in a 44-match programme in the championship season. He left for QPR and gained six caps for the Republic of Ireland.

PAT BRADY
LEFT-BACK
1958-1963
148 GAMES | 1 GOAL

The elder of the two Brady brothers, Pat followed Ray into The Den after a successful trial period around

Christmas 1958. A Home Farm product, he gained an Irish schoolboy cap and went on to become one of The Lions' most cultured full-backs. Cool under pressure with excellent distribution, Pat only missed the first two games of the championship season.

ON CHAMPIONS

DES ANDERSON

MIDFIELD

1961-1964

46 GAMES | 1 GOAL

A capture from Hibs, Des was a former Scottish Schoolboy International and a strong midfield player who worked hard in the middle of the park. He scored his only goal in the 4-1 defeat of Reading at The Den on Good Friday 1963. Des was later to become assistant manager to his old friend Dave Mackay at Swindon, Nottm Forest, Derby and Walsall.

TOMMY WILSON

CENTRE-HALF

1961-1968

201 GAMES | 15 GOALS

Tommy joined from Falkirk in July 1961 for the bargain sum of £750. He would make his debut in

the championship season against Southport on 18th November at The Den. As he gained more experience, his talent came to the fore when snuffing out opponents' assaults either in the air or on the ground. Tom was one of the magnificent seven who featured in most of the matches during the 59-match unbeaten home run from 1964-1966. Hull City snapped him up in 1967 for £18,000 where he later became The Tigers' reserve team manager.

BILL WRIGHT

OUTSIDE-LEFT

1961-1962

15 GAMES

Signed from Plymouth Argyle in August 1961 to fill the left-wing spot, Bill started with his home town club Blackpool, but in 1957 he moved on to Leicester City. His excellent form in their promotion campaign took him to Newcastle United in 1959. Bill's stay was brief, as was his time with new club Hull City, before his move to The Den. However, he played a large part in the 15 games in which he featured in the championship season and went on to play for Tonbridge and Bexley United.

DAVE BUMPSTEAD

MIDFIELD

1957-1962

84 GAMES | 8 GOALS

An England Amateur, Dave signed from Tooting & Mitcham and made his debut at The Den against Gillingham in 1958. An attacking right-half who specialised in the well-executed through ball, he played the first 10 games in the championship season, before moving on to Bristol Rovers, playing 40 games.

GARY TOWNEND

OUTSIDE-RIGHT

1960-1964

50 GAMES | 20 GOALS

Gary was immensely strong and a very skilful footballer who remained a part-timer after signing from Redhill FC in August 1960. His close control came to the fore on the heavy pitches of the period and his sturdy frame was a useful asset in those conditions. A fine striker of the ball, Gary combined playing with driving a London Taxi. After leaving The Den, he played for various non-league clubs, including Hillingdon Borough and Chelmsford City.

JOE BROADFOOT

OUTSIDE-RIGHT

1958-1964, 1966-1967

251 GAMES | 65 GOALS

Joe signed professional for

Millwall in 1958 and blossomed into a free-scoring winger in his first spell at the club. There wasn't a full-back that could get near him on full throttle, and Joe's blistering pace enabled him to create and score goals. He only missed two games in the championship season, scoring eight goals, and went on to play for Ipswich and Northampton before rejoining Millwall for a second time. Joe is still a regular at The Den today.

BY DAVE SULLIVAN

DOCKERS' DAY

For the sixth Dockers' Day fixture I will take some time to look at the matches played at The Den (Cold Blow Lane) between teams from the various docks, both local and nationally.

When the National Dock Labour Board came into existence just after the Second World War, a trophy named the Newlands Challenge Cup was put forward for teams to enter from around the country. The inaugural final was held at The Den on 7th June 1947 between the Aberdeen Dockers and the Thames Lightermen. The game kicked-off at 7pm and had followed Millwall's 1-1 draw with Burnley. It was the classy Scots team who prevailed after outplaying the locals to win 3-0. The lateness of these games had been due to a harsh winter earlier in the year which caused the football season to be extended.

A series of fixtures played at Cold Blow Lane annually to raise money for various charities was the P.L.A Police (Surrey Docks) and the Surrey Dockers & Stevedores. In February 1955 the Dockers were victorious by the only goal and the beneficiaries on this occasion were Bede House Association, a Bermondsey based charity. Two years previously, in 1953, the encounter raised £170 for the National Flood and Tempest Distress Fund. Other meetings followed, with one being the high scoring 5-4 victory for the PLA Police in April 1961.

It was The Port Newspaper; the official mouthpiece of The Port of London Authority, who sponsored the newly instituted "The Port Newspaper Cup", and once again The Den was selected to hold the initial final. The two sides who fought their

way to the final tie on Monday 10 May 1971 were the West India Docks and the N.E. and Basin, PLA Royal Albert Dock.

The game was one of high excitement as was the standard of play from both teams that saw the Basin team edge a 3-2 win after coming from a goal behind on two occasions, with the deciding goal arriving in the 85th minute. Following an exciting and thrilling encounter, the trophy was presented to the victorious skipper by Lions director Bill Nelan, himself no stranger to the workings of London's river.

The above trophies were not the only ones to be played for within the Port of London, with other finals being held at the grounds of Barking and Ilford Football Clubs. The Stuart Baker Cup was played between the various PLA Police Divisions. The 1955 final was won by the Surrey who defeated their India counterparts 2-1, and it was the boys of the PLA Messenger Service who used to contest the Ayliffe Cup. Finally the Ritchie Cup was yet another trophy which individual docks vied for, and in one final, a real David and Goliath coming together, saw the tiny London Docks face the much larger Royals group.

In conclusion I would like to thank two Millwall diehards and friends of mine, Brian Grover for the additional material for this article, and also Andy Sullivan for supplying copies of the match programmes.

WEST INDIA DOCKS

WEST INDIA DOCKS had two of the toughest games in the whole competition in the quarter and semi-finals before getting through to tonight's final.

In the quarter-final they were drawn against the very much fancied Wallis's team from the Royal Docks.

This was a typical dockland derby match with neither side giving much away. The score at full time was 1-1. It was still a draw after extra time and eventually, in accordance with the rules of the competition, the game had to be decided on a series of penalties. Dave Henry scored the all-important penalty that took West India through.

In the semi-finals West India met Scruttons of Tilbury, champions of the Southend Midweek League. Once again the game went into extra time.

As the extra-time minutes ticked away, it looked as though the match would have to be decided on penalties again, but a late goal by Peter Edgcombe got West India through.

Dave Henry

Peter Edgcombe

Len Raynor

Geoff Budden

Introducing the players . . .

GEORGE BUDDEN: (goalkeeper) Old hand - been with the club for the last four years.

PETER EDGEcombe: (full back) Until recently played at centre half but took over at right back following an injury to Kenny Leighton. Good in the air and possesses a very long throw.

KENNY LEIGHTON: (full back) Now fully fit after an injury to an arm last month. Very courageous and strong in the tackle.

BILLY FREEMAN: (full back) A young player in his early 20s is very fast and has a good positional sense. Strong on the overlap run.

DAVE HENRY: (half back) is now the club's most experienced player. Until recently played as a striker but has now moved

to sweeper. He has a very astute soccer brain and the final could hinge on his actions.

BRIAN HOLMES: (centre half) is the club skipper. Took over from Bob North who left the club last season and has proved a very able deputy. Played a big part in the semi-final.

GEORGE KNIGHTON: (centre half) Often used as a substitute, he has played in almost every position this season. Also six feet he is very capable.

DAVID BALKWELL: (midfield) Excellent distributor of the ball and has a quick eye for spotting weaknesses in a defence.

RONNIE: (midfield) A dynamo, his running never ceases the rest of the

LENNIE RAYNOR: (midfield) Has played midfield only recently but more at home on the flanks. Very good on the ball and possesses a good shot in both feet.

MALCOLM BROCKWELL: (forward) Plays normally at outside left, is a very direct runner and like Lennie Raynor is at his best when taking on a defence.

GEORGE COTTON: (forward) Joined the team this season and plays as a front runner. Just under six feet tall he is very hard to shake off the ball.

BILLY HINCHIN: (forward) Plays as a striker and is just over six feet. A very strong man he plays well up

NORTH EASTERN AND BASIN
have been involved in all four rounds of the competition.

In the first round they were drawn against Wallis's from Tilbury and romped home to an easy 3-1 victory. Their next opponents were Southern Stevedores, and despite some spirited opposition, once again won 3-1.

In the quarter finals against Thames 65 they were a goal down after only 11 minutes when Thames's Micky Stirling scored. Rod Jones equalised from the penalty spot nine minutes later after a handling offence.

North Eastern took the lead just before the interval when Geoff Hayward volleyed home from eight yards. In the second half Thames equalised again through Stirling but a delicate chip shot direct from a free kick by John Blakeney in the 75th minute gave the Basin victory.

The semi-finals gave the Basin their stiffest test. They were two goals down with only 25 minutes remaining. But then the Basin dragged themselves off the floor to win 3-2.

Meet the personalities . . .

BRIAN PARTRIDGE: (goalkeeper) Former Leyton and Hornchurch player now with Clifton. Aged 32 and is over six feet.

PETER PHILLIPS: (goalkeeper) Played in all the earlier rounds except semi-final.

MICK LEE: (full back) Formerly with Aveley and Bexley is 2ft, and is a strong successful player.

JOHN CLIFTON: (full

very strong in the air.

EDDIE SAFFORD: (midfield) A very energetic player, at home in either defence or attack.

DEREK DISLEY: (midfield) Like Eddie Safford possesses boundless energy. Is strong in the tackle and with a shrewd brain is very quick on the interception.

GEOFF HAYWARD: (forward) Often plays in midfield and is perhaps the side's best distributor of the ball.

RON TURNER: (forward) Also six feet now plays with backing. Former part of the team's formidable trio of strikers which make up 18 feet of goal scoring machine.

RAY WOOLEY: (forward) Aged 27 and forms the third part of the Basin's front line.

BILL FUXLEY: (forward) Plays normally at outside left. At his best when running straight at a defence.

JOHN BLAKENEY: (forward) Also a winger and similar in style to Purdey. Now plays with Clifton

Charlie moved to Bolton Wanderers in June 1969, then managed Reading. Voted 'Player of the Century' at both Millwall and Sunderland, he now lives in Hoddesdon.

MALCOLM FINLAYSON:
Goalkeeper Malcolm was ever-present for Millwall in 1952/3, and made 230 League appearances prior to joining Wolves in August 1956. He starred as they twice won the League Championship, then the FA Cup in 1960, since becoming a successful businessman with several foundries in the Midlands.

MILLWALL

ALEX JARDINE: Scottish right-back who was also ever-present as Millwall were Third Division (South) runners-up in 1952/3, then again in 1954/5. STAN ANSLOW: Left-back Stan scored twice in Millwall's 1956/7 FA Cup Fourth Round win over Newcastle United, netting 13 goals in 131 League games before joining Hastings United in July 1959. Later with Romford and Gravesend, he worked for GLC tree

Saturday 8th January 1955 - FA Cup Third Round

Bolton Wanderers 3 Millwall 1

The Lions took 10 coach-loads of supporters to Burnden Park to cheer them on in this Cup match.

Unfortunately, The Trotters would go on to win this one. Bolton opened the scoring with a simple goal in the 16th minute. Scottish international Willie Moir was in the right place to tap in England star Nat Lofthouse's cross.

Millwall drew level in the second half when quick-thinking Jack Heydon's pass found Freddie Smith, who turned and scored after 51 minutes.

With 10 minutes to go Moir again put The Trotters in front, and five minutes later Ray Parry put away the hosts' third and final goal to seal their progression.

Bolton's eight-page programme was mostly adverts but had the line-ups on the back. The centre pages contained Burnden Bulletin and the 'Our Message' feature, whilst the front cover priced canteen tea for Thrupence and a ham sandwich for a tanner.

WANDERERS v.
MILLWALL ATHLETIC

OFFICIAL
PROGRAMME
9^d

Wednesday 9th October 1968 - Football League Division Two

Bolton Wanderers 0 Millwall 4

This 4-0 whitewash gave Millwall a 7-1 double over The Trotters, having won 3-1 at The Den, and was The Lions' best result of the season.

Big Barry Kitchener was outstanding, padlocking Bolton's leader Roy Greaves and throwing away the key. Millwall, having stolen the lead in the 10th minute when Eamon Dunphy converted a cross from winger Derek Possee, waited until the last minute of the first half for the second, when the powerful Keith Weller broke away and scored from the spot after he was brought down by Dave Hatton. Possee collected two second-half goals (51 and 89 minutes) as Millwall's forwards took full advantage of the labouring efforts of the Bolton defence.

With a turquoise-coloured cover and eight pages, the programme sold for 9d. Inside, the only reading material was the headline 'Defeat at Millwall should be avenged', after the 3-1 loss at The Den in August. The adverts were small boxes on every page and included ones for Ice Cream, Batteries, Bread, Decorating, Roofing - mostly local products. Team line ups were on the back.

Saturday 14th February 1970 - Football League Division Two
Millwall 2 Bolton Wanderers 0

This scoreline was ample reward for Millwall's enthusiastic squad who worked from early morning to get the snow-covered ground fit for the match.

Bolton's World Cup star Roger Hunt 'thoroughly enjoyed his first visit to The Den' and ex-Millwall legend Charlie Hurley made a return to his former club.

It was Harry Cripps who scored the first after only three minutes of play when he let fly with a tentative 35 yard shot which was deflected by full-back John Ritson into the net. Goal number two from skipper Cripps, on 43 minutes, was a close range effort following a Keith Weller corner, after the ball bobbed about in the area for almost a minute.

Sixteen pages for a shilling, plus the Football League Review magazine inside, gave supporters value for money. Blue print on white paper features included a players' gallery of Alan Garner, Colts News and 'Our Visitors'. If your face was ringed in the crowd photo you won a complimentary ticket for the next game.

BURNDEN PARK

Tuesday 6th November 1973 - League Cup Third Round Replay
Bolton Wanderers 1 Millwall 2

Millwall stormed into the League Cup Fourth Round with two goals in the last 10 minutes. Alf Wood, who was a constant menace to the Bolton defence, snatched this win three minutes from time with a fierce volley. The Lions were helped on the road to victory by an own goal when Peter Nicholson's clearance hit Don McAlister and rebounded into the net past bewildered keeper Barry Siddall.

The sides were to meet four times that season, Millwall winning three and drawing once.

The cover of this 20-page programme featured an action photo with a navy blue background. Again the Football League Review was included and inside was a full page action photo and 'Editor's View', but it was still full of adverts and only had two pages of reading material. Team line-ups were on the back.

Saturday 4th May 1985 - Football League Division Three
Millwall 5 Bolton Wanderers 2

An inspired second-half display in this match kept Millwall on course for promotion. The Lions had to fight back from a 2-1 deficit with Steve Lovell scoring from the penalty spot in the first half.

It all changed in the second period though, when Dave Casack equalised in the 54th minute. A header from Kevin Bremner on 58 minutes put Millwall ahead, Lovell's solo run and tap in for his second (68 mins) extended the lead, and another header from Lindsay Smith (75 mins) sealed victory.

A 20-page programme sold for 50p and had a colour cover with action shot of Alan McLeary. Inside had colour pages with black and white pictures, and features including Talking Football, Around The Den, Press Talk and Previous Encounters. There was also a two-page 'Spotlight' feature on Micky Nutton.
